**Website:** www.stefanlucut.com

Part of the [°Atelier105](#) crew

**Doing Business As:** Multidisciplinary Designer

**Creative Fields:** Illustration, Design, Art Direction

*"Romania-based designer, Ștefan Lucuț's work is a mix of type, photography, and vector elements, infused with a modern, contemporary feel. He mixes vibrant colors, seriffed typography and primitive shapes to create imagery that is both bold and strong. Despite the minimalist nature of his site, it does not take long to recognize the maturity and imagination that comes through in his work."*
